

Dear Parents,

Don't miss out on this once in a lifetime opportunity to inspire and motivate your entire family to be UNSTOPPABLE! Our school district is extremely fortunate to have Craig Conrad's The Unstoppable You presentation coming to our schools. Craig's pulse pounding and electrifying stories and big screen images have been featured on ABC and NBC Nightly News and CBS the Early Show.

This entertaining and lively presentation will have you and your family laughing while providing techniques to "raise the bar" in your kids lives. Parents... if ever there was a program to improve the lives of your family and children, this is it! Please consider this invitation as my personal show of appreciation for all you and the members of this community do for our school district. Best of all... it's free!

Come see why over 142,051 people have benefited from The Unstoppable You's life changing message. You'll understand why Craig was nominated 6 times to Who's Who Best Teachers in America by his students, received the Governor's Award for Excellence in Education, and was the first teacher in the US to be honored with The Tradition of Excellence Award.

Craig is also the host of the new television series, Wyoming's Call of the Wild, airing in January 2012 on the Sportsman's Channel.

So, bring the entire family out for an evening of entertainment. You'll leave feeling Unstoppable! I hope to see you there!

Date: January 25th, 2012

Time: The Program-6:30...

Place: Worland Middle School auditorium

Respectfully,

Mr. Kevin Smith
Asst. HS Principal

P.S. Craig will have autographed copies of his new book, Unstoppable! Available after the show.
